 Bangalore

INVITATION

Respected Seniors & Dear Friends,

Greetings from Bangalore Urological Society

We welcome you all to 24th T.S.Jairam Live Operative Workshop. The theme for this year is "Recon Urol- Hypospadias". This workshop will be done on 9th October 2021 at Institute of Nephro-Urology, Bangalore.

Hypospadias is a common pediatric Urological Problem come across by all of us in day to day practice. Various techniques of correction of hypospadias have been described to give optimum result with respect to normal functional & cosmetic benefits. This requires surgical expertise to minimize complication and to give best results. This scientific event will include, live operative workshop, theme based didactic lectures and state of art video session. This is an interactive session with a focus on issues related to hypospadias.

We have chosen experts in this field at national level as faculty, who will be demonstrating to you & telling their tips & tricks in the management at various situation. We hope this workshop will be helping you to refine your technique.

We invite you to this live operative workshop. We are sure you will find this workshop both stimulating & enriching.
